Exterior Insulation and Finish Systems.

EIFS
Doing It Right

Expiration Date: 12/31/2017
Certificate Number: 99177

Mark Nabity

• AWCI EIFS Committee Chairman

AWCI

Code of Conduct for EIFS Inspectors

The Code of Conduct lists principles of conduct and standards to be observed
by holders of the specialty EIFS Inspection certificate.

While acting in an inspection capacity, the certificate holder:

Shall use the knowledge gained from the AWCI EIFS—
Doing It Right education program and employ current
industry accepted application means and methods for EIFS
applications.

Shall advise clients of the current industry accepted
application means and methods.

Shall accurately represent their professional qualifications.

Shall provide only those services they are qualified to
perform.

Shall avoid any involvement, activity or influence of
professional activities, financial considerations or other that
might conflict with the best interests of all parties. If a
seeming, perceived or potential conflict arises, full
disclosure shall be given and services shall proceed only if
the conflict is waived in writing after disclosure.

Shall give accurate, unbiased responses when the service
includes advice.

Shall act in a professional manner and correctly represent
the extent of the education or authority associated with the
certificate.

Shall stay informed of new guidelines, standards, codes and
procedures for the application of EIFS.

Shall notify AWCI of any occupation changes that would
affect the type or validity of the certificate.

*The certificate does not cover forensic or intrusive
investigations. Failure to abide by the Code of Conduct
may result in the revocation of the certificate or in a
reprimand.*
